

The Wilmington Crusader

VOL. 16 NO. 3

THE WILMINGTON CRUSADER, WEDNESDAY, JANUARY 21, 1953

PRICE TEN CENTS

Special Bus Transportation Sunday To Skates Derby

The McIntyre Bus Lines are going to provide special transportation for the hundreds of Wilmington skating fans who will be going to the famed Boston American-Advertiser-Record Silver Skates Derby, in Boston next Sunday.

Carlton E. McIntyre, manager of the company has announced that he will have busses in Wilmington square, on Sunday morning, with the first bus scheduled to leave at 11.50 a.m. and busses leaving thereafter every few minutes until every fan has been accommodated. Mr. McIntyre was unable to state the price, other than to say it would be "a fair price." Indications are that it will cost a Wilmington fan about \$1.00 for the round trip, to the Gardens and back.

In order to have a fair estimate, for the bus company, George Spanos, unofficial Mayor of Wilmington is opening a "Register", in his restaurant, in which Wilmington residents can indicate that they would like to use this special service, direct to the Garden. The "Register", will be in the form of a book, which the fans can sign, something in the nature of reservations. (Telephone number is 3373.)

The number of names in the book will be counted Saturday evening, and the McIntyre Bus Lines will provide the appropriate number of busses Sunday morning.

George Spanos says that the book will then be, for him, another souvenir, to place with the hundreds of other souvenirs, in his restaurant.

That a large number can be expected to use the service is indicated by the fact that 486 tickets to the famed Derby had been sold in Wilmington as of Tuesday evening, and more tickets were still being purchased.

Forty members of the famed Wilmington Skating Club will be showing what they are made of, in the Garden, Sunday afternoon. Which means that one of every fifteen entries will be from Wilmington.

VILLANOVA HALL TO BE CONVERTED INTO A CHURCH

Worshippers at St. Thomas Church, last Sunday were told by the Priests of St. Thomas that His Excellency, Archbishop Richard J. Cushing has given permission to convert Villanova Hall into a church, for St. Thomas Parish.

For some months now, there has been Masses sung at Villanova Hall, once each Sunday, to take care of the overflow crowds at St. Thomas, and this will be continued until the Priests of St. Thomas have arranged to have published in the Crusader, each week, a notice of where the Masses will be held, for the benefit of the parishioners.

Eventually, and not in the very far distant future, all the Masses will be at what is now Villanova Hall, but what will then be called St. Thomas Church. The present St. Thomas Church is to be converted into a social hall, and will be known as The Parish Hall.

Farther Shea, of St. Thomas, has stated that occasional services may still be held in the present church, because of the many associations of the people of the Parish, through the years, with this building.

INTERESTING SPEAKER AT HN MEETING

The Rev. Father John Kinchla, of Lawrence, was the speaker at the monthly meeting of the Holy Name Society, last Sunday. Father Kinchla, who has recently returned from Korea, did not speak of his experiences there, but rather gave a short talk on obligations, which is reported as having been one of the most interesting talks given in the HN society for some time.

POLICE PICK UP REPAIR PARTS FOR TOWN

The Wilmington Police Department was pressed into service as errand men, during and after the heavy snow storm of a week ago. Officer Markey was sent to Lowell, Officer Shepard was sent to Haverhill, and Officer Fuller was sent to Woburn, in search of parts to replace broken equipment in the Highway Department trucks.

WILL TOWN MEETING BE HELD IN CIRCUS TENT?

The Board of Selectmen, Monday night, were told that Villanova Hall will probably not be available to the Town, in March, for the Annual Town Meeting, because of the possibility of its being converted into a church.

Among the places that were thought of, by the Selectmen, for a site for the meeting were the Grange Hall, Cain's Garage, the Wilmington Theatre, and the J. W. Greer Plant on Main Street.

A suggestion was also made that a huge circus tent be hired for the occasion.

AMBULANCE TAKES CHELSEA DAVIS HOME

Chelsea Davis, of Jones Avenue came home from the Winchester Hospital last Thursday. The Wilmington Police Ambulance was used to take him home.

AUTO ACCIDENT ON BALLARDVALE STREET

An auto accident, at the corner of Ballardvale Street and Salem Street, involved a truck owned by Currier's Express, and a car owned by Robert H. Dean of Tyngsborough. The accident was at 8:35 a.m. Jan. 16th. There was property damage only.

BARBARA PECK BREAKS WRIST RIDING BICYCLE

Barbara Peck, 15, of Woburn Street, suffered a broken wrist, on Jan. 18th at about 9:40 a.m. when the bicycle which she was riding crashed into a car parked on Brentwood Avenue. She was treated by Dr. MacDougal and was then taken to Winchester Hospital.

AMERICAN LEGION URGES SUPPORT OF BOY SCOUT WEEK

Commander Arthur Harper, of Post 136, A.L. has urged the observance, by the members of the Post, of National Boy Scout Week, February 7-13.

Since the founding of the American Legion, said Commander Harper, it has always been interested in the Boy Scout movement. The American Legion is happy to endorse this great citizen building movement, which will have for its slogan this year, "Forward on Liberty's Team."

SIDELINKER HAS APPEALED DOG DECISION

Talbot Sidelinker, owner of the dog kennels located at the corner of Main Street and Glen Road appealed the decision of the County Commissioners, within the time period allotted to him, it has been learned.

The decision of the County Commissioners, issued in early December, was that the Kennel should be closed within a three month period.

By his appeal, the case now goes to court, and will remain in the present status until there is a court decision.

CITIZENS COMMITTEE MEET MONDAY NIGHT

The Citizens Committee on the High School Football Banquet will have a meeting in the Roman House on Monday, January 26th. The meeting is called for 8 p.m.

A DAUGHTER TO SGT. AND MRS. FRED LILLEY

Sgt. and Mrs. Frederick J. Lilley are proud parents of a baby daughter, born in England on January 12th. Mrs. Lilley is the former Veronica Tovey, of Winchell Road, South Tewksbury. Proud grandparents are Mr. and Mrs. Fred Lilley of Mass. Avenue, and Mr. and Mrs. Harry Tovey of Winchell Road. This is the first child born to Sgt. and Mrs. Lilley.

Sgt. Lilley's address is, Sgt. Frederick J. Lilley, Serv. Stock "B", Bushy Park, 7532 M & S Sq., APO 125, New York, N.Y.

Rotary raises price of lunch

In a short business meeting the Wilmington Rotary Club voted to raise the price of the lunch from \$1.25, to \$1.50 a week.

MRS. WEINBERG HAS BROKEN SHOULDER

Mrs. Chrys Weinbergs, of Salem Street, has been laid up for the past few weeks with a broken shoulder, which she received in a skating accident.

ADDITIONAL DONATIONS TO ROTARY PARK

The Rotary Park Committee acknowledges donations from Richard Bedell, George Castanaras and Don C. Tarbell.

WATER EXTENSIONS 1953

Once again it looks as though there will be a big fight, on the floor, at Town Meeting, over water extensions. This fight, which has persisted through nearly every annual meeting since the end of Hitler's War, is a subject of intense interest to many persons in the town.

The town has spent a considerable sum of money, well over half a million, since the war, in water extensions, and there is still work to be done. The load has been heavy on the tax payers.

Just how heavy the load has been can easily be shown by this year's figures. City politicians, talking between themselves, have developed a special argot, or type of slang, and one question, in this argot, is "How much is your nut?" by which they mean, "How much money has to be appropriated to affect the tax rate in your city \$1?"

It so happens, this year, that Wilmington's "nut" is going to be just about \$10,000. In other words, the citizens, at Town Meeting, can sit and figure just how much any project is going to cost the town. If a project costs \$10,000, the tax rate will go up \$1. \$30,000 extensions in 1953 will send the tax rate up \$3.

A few years ago our nut was \$7500, and \$30,000 then sent up our tax rate \$4.

On the books of the Water Extension Committee there is at present over \$120,000 in work, with the end not in sight.

This is the last year of the Water Extension Committee. In the main it has done good work, in channeling a many sided fight into a strict yes and no argument. The citizens of the town have been willing to accept their recommendations.

Now there are two new angles from which to view the overall picture. 1. The Town Manager, Dean Cushing, has told the Water Extension Committee that the water is so critically low that any extensions this year would be almost foolish. He is willing to agree to an extension up Salem Street to the Town Dump, because of the fact that the street is to be resurfaced, using Chapter 90 funds, and it would be very foolish to resurface the street, and then dig it up again, two years from now. Salem Street, Yes, says the TM, but no further!

2. Residents of some of the streets are now threatening to bypass the Water Extension Committee and bring the problem of their street directly to the attention of the town, in the form of an article in the Town Warrant. This, we think, is foolish. It has been tried in the past, and has always met defeat. Town has always sustained the committee, and has always turned down any other request.

Members of the committee feel that they are bound by their original instructions, and while they sympathize with the TM's viewpoint they cannot do otherwise than to follow the plan of former years. The Committee will probably recommend \$30,000 in extensions again this year. The TM will probably oppose these extensions, in whole or in part. The Town will then be called upon to judge, by its vote.

We feel that the vote will not be as unanimous as it has been in some years past.

TAX RATES 1953

All around us, we see towns and cities in which it is understood that the 1953 tax rate is going to be higher than the 1952 rate. This statement includes towns and cities with the manager plan, as well as without the manager plan — in other words the trend is general.

As long ago as last October, the Crusader predicted a lower tax rate this year for Wilmington. Such prediction wasn't hard to make, and now it appears that the tax rate may be even lower than that of the Crusader's prediction. We stated that it might be down to \$54. If the recommendations of the Town Manager are sustained at Town Meeting, we may be lower than \$54, perhaps down to \$51.

Of course the TM hasn't formulated all his plans and recommendations yet, and it will still be some time until Town Meeting, during which a lot can happen.

That thought of \$51 tax rate looks attractive to us. It would be quite a feather in our cap to have our tax rate go down, while the rest of the state increases.

THE WATER DEPARTMENT DOESN'T PAY

Last week the TM was asked whether or not the Water Department was able to pay its own way. He could not give an answer, at the moment.

We have asked a few people who might know, as to their answers, and we have had some interesting replies.

They all agree that the Water Department does not pay its own way, and they all agree that it would, if water went to every house, on every street where there is water. They all

agreed that it was the chiseler who kept the Department from being on a paying basis, the fellow who wanted a hydrant outside his door, and then used water from his own well.

Some people also thought that the town should immediately install water meters, into every house that has water. Water meters cost \$22 each, but the return, in many cases is far higher than without the meter. Every year the town buys a few meters, but never enough to cover new houses in town, according to one informant. He thought that the town should buy meters by the thousand and get them for \$20 apiece.

Almost everyone agreed that the town was quite low, in its water consumption, and that July and August were the worst months, with the Water Department unable to keep up with demand.

MISUSE OF POWER

For the past few years, the newspapers of our commonwealth have carried stories about some of our public officials which did not reflect to the credit of those officials.

We can recall a few stories about events supposed to have taken place in the Attorney General's office, and other events which transpired in the office of the Alcoholic Beverages Commission which stories did not sound right to us.

One of the men who had a lot to do with bringing some of these stories to light was District Attorney Alfred B. Cenedella, of Milford. Cenedella found himself stymied, by very odd maneuvers in his fight with the Attorney General, but we, personally, had no doubt about the integrity of Cenedella.

That gentleman is now a State Senator, and has introduced a bill into the Legislature which is designed to do something about official misuse of power. This bill would provide for criminal prosecution against officials who use improperly their official authority to coerce private individuals in the conduct of their business.

Persons convicted under this proposed law would be disqualified forever from holding public office, and would have to pay a \$5000 dollar fine, or serve 5 years imprisonment.

Perhaps the terms are harsh, but the Senator has had some past experience that he can't forget.

AT LONG LAST?

25 Years of liability insurance for automobiles, with costs to the motorist figured on zone rates have proved to be a very expensive panacea. Costs have risen tremendously. Many have urged that the state have a Merit Plan, for insurance, but the plea has fallen on deaf ears.

Our new Governor, Herter, has said that he is going to do something about it. We hope he does, and that it will be effective enough to pass on a saving to the average motorist. He will need that extra money to pay the extra gasoline tax that went into effect on January 1st.

ANNUAL MEETING CONGREGATIONAL CHURCH TOMORROW NIGHT

TO VOTE ON \$10,000 GROSSMAN BEQUEST

The annual meeting of the Congregational Church will take on considerable importance this year. Following a supper which will be served by the members of the East Branch on Thursday at 6:30, the meeting will be called to order at 7:30 by the moderator. Only regular members of the Church are entitled to vote, but it is expected that many other parishioners will be present to share in the occasion.

The reports of the various officers and committees on the work of the year 1952 will be presented in mimeographed form, thus making a lengthy reading unnecessary. The report of the nominating committee will be given separately and the new leaders for 1953 will be voted into office.

An unusual item this year will be the question as to what to do with a bequest of \$10,000, which was made by the late Louis C. Grossmann. The use of this fund, according to the terms of the will, is unrestricted. Believing that the members of the church would welcome a concrete proposal, the church Finance Committee has given long and careful study to the problem, and will be prepared on Thursday night to bring in a definite recommendation for the members to take under consideration.

Another matter, involving a substantial sum of money, will be the question as to what action if any the church wishes

to take with regard to the campaign which is now being conducted by the Congregational-Christian churches of America, looking toward the creation of a "church Building Loan Fund". The national goal is four and a half million dollars, and Massachusetts' share is one million. Here again, the Finance Committee has gone into the subject with great care, and after consultation with one of the campaign officials from Boston, a recommendation to the church has been prepared. At this time in the meeting, an explanatory address will be given by the Rev. Joseph W. Beach of the Park St. Congregational Church of Worcester, who will be the honored guest speaker of the occasion.

It is not expected that the business of the evening will require too long a session. But whatever its length, the significance of this meeting is obvious, and a large attendance is expected.

SELECTMEN VOTE FOR INCREASE IN TM'S SALARY

The Board of Selectmen, Monday night, voted to in-

crease the salary of Dean Cushing, Town Manager, for the year 1953. Cushing, who had been getting \$6300 a year, will get \$6900, per year, if the vote of the Selectmen is sustained by the Finance Committee, and the town, in Town Meeting.

HAROLD MELZAR TRUSTEE OF TRUST FUND

Harold Melzar, of Lake Street has been appointed Trustee of Trust Funds, by the Town Manager, Dean Cushing. Melzar, a long time resident of Wilmington, is currently Chairman of the Water Board, and has served on many committees, including service as Selectman of Wilmington.

TRAER APPOINTED TO BOARD OF APPEALS

The Board of Selectmen have appointed William E. Traer, of 611 Woburn Street, as an Associate Member of the Wilmington Board of Appeals. Traer, who has lived in Wilmington nearly two years, moved here in July 1951, from Brookline. He is engaged in the business of erecting, serving maintaining and inspecting radio towers, which business he operated in Cambridge, before his removal to this town.

A native of New Brunswick, he is 43 years, old a graduate of the Class Technical School in Detroit and a resident of the United States since 1929.

BUDGET TO CARRY ITEM FOR INDUSTRIAL EXPANSION

Monday night's meeting saw the Selectmen agree that an item of \$500, in the budget, for use for Industrial Expansion would be desirable.

Until this time, such money has come out of the Town Manager's Expense Account, and the Selectmen felt that this method would be better accounting, without any increase in the Town Budget.

TOWN MANAGER WANTS \$500,000 FOR WATER SUPPLIES

OPPOSED ANY WATER EXTENSION THIS YEAR

The Town Manager, Dean Cushing, in a meeting with the Water Extension Committee, and about 125 persons interested in getting water extensions, made a plea for no water extensions in 1953. The meeting, in the Town Hall, was at 8 p.m. last Wednesday.

The TM stated that he wanted to talk about Water Extension, rather than water extension. Cushing spoke for about an hour, his speech being punctuated by one silence—that of everyone counting the whistle, as the fire alarm blew.

Many of the individuals present wanted to bring their own particular water problems to the attention of the TM, but that gentleman stated that what he was trying to do was to present the picture as a whole, to the people.

The Town Manager stated that he had taken his stand, not because he didn't want to spend money, but because he wanted to know what he was spending it for. He wanted, not water on more streets, but more water to put in the streets. Supplies, not extensions, was what the town needed at the present moment, declared the TM.

The only thing that the Town Manager would approve of was \$7000 for engineering and planning of the water supply. He did, however, approve of an idea given by Mrs. Drew, of laying the water mains up Salem Street, this year, at a cost of \$8000. His reason for

approving, he stated, was that it would be cheaper than putting in the mains after the street had been resurfaced, with funds from Chapter 90.

Cushing declared that the town did not have enough money, to pay the bills. The town has improved its financial picture tremendously, but not enough. We have cleared up a lot on the tax title picture, and on uncollected taxes, and we now have some cash in the till which is the first time we can say that in some years—but we have to keep that cash to buy goods and service really needed!

The people in this town pay a lot of taxes - it takes a lot of money to pay the taxes, but the total taxes does not make the town a going concern—we don't have enough to pay the bills!

We are faced with a choice of taking 5 cents now, or 10 or 15 cents next year, or the year after! Before I came here, you spent effort in getting industry into this town. You knew what you were after, and you went for it! Since I have come here, we have had more industry come to town, and it is through the cooperation of people like you that it has been possible.

Big buildings, like Greer, paying twenty-five thousand in taxes every year has to have water under pressure — not to use, but for insurance purposes. You people all know what insurance rates are! No new industry will come here, if there isn't enough water to maintain a static water pressure!

Now is the time for more storage of water, not for the industries especially, but for everybody. We all know that homes use more water than industries.

Asking For Federal Grant
At this time Cushing revealed that he had plans of asking

for a Federal grant, to alleviate the conditions in the town. He stated that he had hopes of getting half a million dollars from the Federal government because of the influx of industries, and because of the fact that the town had spent all it could, in implementing the water supply.

Cushing referred to the habit of appropriating money every year, as done by the town, as taking the water out of "your back pocket" "How long can we do it?" He asked. "Would any of you put money in a business venture that wouldn't pay back a return in 150 years?"

Cushing asked that any person with any good ideas on water supply write him, at his office. He said he would love to get some letters of a type that might help the town out of its dilemma.

He went on to refer to the New England Gas Products plant, soon to be built on Lower Main Street. Here was a plant, said Cushing, that would be spending a considerable sum of money for a water supply, and Cushing was in hopes that this money could so be spent as to help out the town at the same time. Perhaps the sum of money will amount to \$35,000 said Cushing. This sum, properly spent, would be a tremendous help.

Questions and Answers

At this time Cushing began to answer some of the many questions which were pressing upon him.

Q. Is town on a definite (water) plan?

A. Yes - when we get supply.

Q. Why can't we put in some water every year?

A. If we continue as we are now, we are sometime going to get to the point where we break the camel's back. I don't know just when that will be. We are taking a chance now.

Q. How about North Reading (referring to the fact that Wilmington supplies North Reading with its water supply) is it true that they have no meters there? Can they get all the water they want, for their gardens?

A. North Reading has a three year contract with us. They are making test for supply. We cannot shut them off, the State Board of Health wouldn't let us. We have to give them 300,000 gallons a day.

Mr. Sargent, Superintendent of the Water Department, interrupted to say that he believed North Reading now had a supplement supply of water, for summer time use.

Q. How about sub-divisions — if they are put in, will they get water?

A. Yes, if the Planning Board approves of them!

Q. How about a bond issue? (meaning a bond issue for extension of water mains)

A. If we had a good supply (of water) set up, and if we had a favorable financial base so that we could borrow money at a reduced rate — Quincy can borrow money at one-half our rate.

Q. How about mains down these streets for fire prevention?

A. I am trying to make my decisions to the best of my ability. Last summer, in Lexington, they turned on the hyd-

rant, and no water came out. We don't want that to happen here!

Q. Will the North Reading contract be renewed?

A. 2 Years from now. I think frankly the state would make us renew it, even if we didn't want to. Just reverse the picture, and put yourself in the position of North Reading.

Q. Does Water Department pay its own way?

A. I don't know. We are going to find out.

Q. How about people who don't take water?

A. I think that people who don't take water should be forced to. They are taking a free ride, at the town's expense.

Q. How about a Betterment Act?

A. I think a Betterment Act would be a fine thing. If some way could be worked out I'd go for it.

Q. How can we get a Betterment Act into the Town Warrant?

A. I will personally write it! Best thing for town! I didn't think you would like it! —

At this point the TM ran off to keep another appointment, with another committee.

RAYMOND DEWHURST INJURED AT FIRE

Firefighter Raymond Dewhurst, of Federal Street suffered injuries to his back which may incapacitate him for a month, while fighting a small fire, off West Street, last Wednesday night.

The fire was first seen by a motorist, going south on Lowell street, who spotted the glow in the sky, while on "Death Bridge" where Lowell Street crosses the Portland Division of the Boston & Maine. This motorist notified the Reading Fire Department, and Chief Eames set out in his car to investigate, together with tow pieces of apparatus from that department.

Chief Eames called back by radio to say that fire appeared to be in Wilmington, and the Wilmington department answered the call. Chief Eames by radio, directed the various trucks to the scene of the fire, which was found to be in a small building, on the "Mink Farm" owned by C. Hupper of West Street.

Dewhurst was injured in his back, while he was stooping to lift out a mattress. He felt a wrench in his back, and the injury was later described as being in the sacroiliac region.

The alarm was sounded at 8:50 p.m. and the fire was out at 10:35 p.m. The building burned to the ground. Estimates of the damage have not been made, but it is understood that the building was used as a storeroom for furniture.

CHELMFORD 55 WIL. 37

The Wilmington boys team lost a heart breaking game to Chelmsford Fri. night but hope for a grand come back when they play Tewksbury Jan. 20th.

Buzzy Busineau was high scorer of the game with 14 pts. and Dave Newhouse was second high scorer for Chelmsford was E. Fitts with 17 pts. and P. Thayer was second.

All boys played well on Wilmington's team but due to lack of enough substitutes tired more easily than Chelmsford who had a complete second team.

DRACUT 33 WIL. 22

The Wilmington girls failing to get started as yet this year lost their second game to Dracut by a score of 33 to 22.

The high scorer in this game for Wil. was Sydney Buck with 12 points.

CHELMS. 41 WIL 25

The girls team lost again to the first team this year that has beaten them by more than 13 pts. The final score was in favor of Chelmsford 41 to 25.

**AMERICAN LEGION
CONFERENCE TO BE HELD
IN SPRINGFIELD**

Arthur B. Harper, Commander of AL Post 136 announces that the regional spring conference is to be held in Springfield, this year, in the Technical High School.

Reports at the conference are to come from all Committee Chairmen. A question and answer period will be provided after each report.

An additional attraction will be an array of nationally prominent and distinguished speakers, covering subjects of timely interest to Legionnaires.

J. Edward Goldberg, of Jamaica Plain is chairman of the conference.

**—o o o—
LEGISLATIVE COMMITTEE
APPOINTMENTS**

In the current organization of the House, of the Massachusetts Legislators, both of the Representatives from the 18th Middlesex District have received appointments to two committees.

Representative Frank Tanner, of 28 Mineral Street, Reading has been appointed to membership on the Power and Light Committee, and on the Military Affairs Committee. Mr. Tanner has long served on the Municipal Light Board of Reading, and has been actively interested in Military Affairs.

Representative Charles Wilkinson of Deering Street, a new-comer to the Legislature has been appointed to the Public Welfare Committee, and to the Aeronautics Committee. Mr. Wilkinson, long a selectman of Reading, has had considerable experience with questions of Public Welfare.

**—o o o—
LITTLE LEAGUE SPEAKER
AT ROTARY NEXT WEEK**

The Little League, an organization for the providing of baseball to youngsters, is to be represented at the Wilmington Rotary Club, next Wednesday, when John Kent, President of the Lawrence Little League will be the speaker of the day.

Kent will be the guest of Myer Weinberg, owner of Weinberg's Department Store. Several persons, identified with children's activities have been invited to be guest of the Rotary Club, for the occasion.

**—o o o—
B&MRR ASSENTS TO
POSSIBLE SALE OF LAND**

The Boston and Maine Railroad has informed the Town Manager that it is now prepared to sell several tracts of land which it owns in the Town of Wilmington, with or without railroad siding. Several of the tracts are of fairly large size, and a total of about 80 acres is involved.

**—o o o—
TM DISCUSSES PLAN FOR
DEVELOPMENT BEHIND
POSTOFFICE**

Town Manager Cushing, and the Board of Selectmen, Monday night discussed the TM's plan for developing a three acre tract of land, behind the Postoffice.

Now owned by Olaf Olson of 396 Main Street, it is proposed to develop this site for stores. A roadway is planned to go into the land from Church Street, near the Fire Station, with a parking lot to be provided, and a walk from near the Postoffice to the new street.

The TM told the Selectmen that he wasn't building his hopes too high.

NAM SPEAKER AT ROTARY LUNCHEON

Hugh F. Reh, Program Director of the Boston Office of the National Association of Manufacturers was the speaker, at the weekly luncheon of the Wilmington Rotary Club, on January 14th.

Mr. Reh has been associated with the NAM for some years, and he prefaced his remarks with a few humorous references to what some people call the NAM. He cited one answer that was given to a query about why so many politicians throw sticks and stones at the NAM, by quoting the answer: "The tree with the best fruit is the tree with the sticks and stones underneath it".

The National Association of Manufacturers is made up of 18,600 manufacturing companies throughout the United States. Each company has but one vote, regardless of size, and 83% of the members are employers of less than 500 people, 41% less than 100 people, and 28% of less than 40. Reh, said Mr. Reh, is enough to show that the NAM is not an association controlled by the big shot firms, like Dupont and General Motors, adverse way possible, yet, dur-

but rather one in which the small manufacturer has his say. There are 160 Board Members, who are responsible for the decisions of the Association. Not more than three of these can come from any state, and the little fellow is just as well represented as the big fellow. 85 to 90% of the Board Members represent small firms that you and I have never heard of, said Reh.

The NAM was started back in the 1890's and the first speaker, at the first organizational meeting was a gentleman from Ohio by the name of William McKinley.

In spite of the remarks that certain politicians make, the NAM is proud of its record. It was the first organization in the United States to sponsor a Child Labor Law, and to advocate a Department of Commerce, in the United States Government. It is a leading advocate of finding employment for disabled persons, and of fairer and more equitable labor laws.

This last reference, said Reh, was in reference to the Taft Hartly Law. Some Leaders are very hostile to this law, and speak of it only the most adverse way possible, yet, dur-

ing the debate in Congress over this law, the NAM received hundreds upon hundreds of letters, from rank and file members of unions, with about 80 to 90% thanking the NAM for its efforts. Most of the writers did not want their names publicized, for fear of retaliation from other union members.

The NAM is now a regional organization, with 12 local headquarters throughout the United States. In New England this headquarters is in Boston. This regional organization was done to ensure that the NAM would be closer to the problems of the people and business of the various areas.

One thing that the NAM has done, which Reh thinks is accomplishing a lot of good, was what he called Business-Industry-Education-Day, or BIED for short. This was originated by the Superintendent of Schools, Dr. Carl Horn, in Lansing, Michigan, a few years ago, as a distinctly local effort to make business understood by schools and others. The New York office of the NAM heard about it, and thought enough of it to promote it on a national scale.

About 80 BIED's have been held in New England so far, Reh stated. In a BIED the local teachers and pupils are invited to visit the local manufacturers, and taken for tours of the plants. Organization plans, manufacturing methods, explanations of costs, examples of good labor and industrial relations, together with explanations of retirement and other such benefits for workers are given on this day, to the youngsters.

Many School Superintendents and others have been so impressed by the BIED plan that they, in turn have organized an BIED, or Educational Industry Business Day, in which local manufacturers are invited to the schools of the city, to acquaint themselves with the problems of the schools, and see where inadequate equipment, or other such items are holding back the welfare of the general public. This plan, too, has worked out very well, said Reh.

Mr. Reh went on to cite a few instances in which the NAM and various Unions had come to any understanding, after some suspicions in the beginning. The NAM, said Reh, is distinctly not anti union. By vote of the National Board, the NAM is committed to the support of unions, and of the right of the workers to organize. This fact, he said is one that is not widely known.

Reh told of an instance in Colorado, where the NAM had sent a speaker. The local union in the plant, which was a CIO organization had some leaders that were quite outspoken against the NAM, and the president of the company began to fear that there would be nothing but booing and hissing, when the NAM speaker took his turn to speak. Just exactly the contrary took

place, in spite of the fears of the management. After the meeting had broken up, the president of the union, who had been quite outspoken about the event, arose and shook the hands of the NAM speaker. He confessed that he had the NAM all wrong, and that from now on, as far as he was concerned, it was 'Friends - the NAM and the CIO'.

In another instance, in Missouri, a Union Leader had been quite outspoken, until he was finally convinced that the program of the NAM was not Union Busting program. His statement, after the meeting, and in Industry, and this was as it should be.

George M. A. M. Webber, Pasquale

Calandrello, Mary Calandrello, Richard

D. Van Demark, Alice E. Van Demark,

Elmer B. Yentile, Robert Landry,

Ruth Landry, Edmond Peters,

Michael Catone, of Wilmington, in the County of Middle-

sex and said Commonwealth; Percy

G. Crocker of Cambridge in the

said County of Middlesex; Antonio

DeMasi, F. A. Ellis, George N. Primpas

of Boston and Anna Zouras of Chelsea in the County of Suffolk

and said Commonwealth; Nina L. Wetherbee

of Somerville in the said County of Middlesex; Hattie

M. Cook of Worcester in the County of Worcester and said Commonwealth;

Boston and Maine Railroad and New England Gas

Products, Inc., duly existing corporations having an usual place of

business in said Boston; Raffi and Swanson, Inc. and Surface Coatings,

Inc., duly existing corporations having usual places of business in said

Chelsea; Joel Eames, residence unknown, or his heirs, devisees or

legal representatives who have not released their interest in the land

hereinafter described; and to all whom it may concern:

Whereas, a petition has been presented to said Court by the Town

of Wilmington, a municipal corporation in the County of Middle-

sex and said Commonwealth, to register and confirm its title in the

following described land:

Three certain parcels of land with the buildings thereon, situate in

said Wilmington, bounded and described as follows:

Parcel one - Westerly by Main

Street, 740.33 feet; Northerly and

Westerly by land now or formerly of George N. Primpas et al, 351.66

feet and 533.02 feet, respectively; Northerly by land now or formerly

of Rocco Yentile et al, 90.57 feet; Easterly and Northeasterly by land

now or formerly of Herbert C. Barrows, 1123.98 feet and 358.84 feet,

respectively; Southeasterly by land now or formerly of F. A. Ellis, Antonio

De Masi, Hattie M. Cook, the end of Morse Avenue, land now or

formerly of Elmer B. Thomas et al, Richard D. Van Demark, Jr. et al,

and Nina L. Wetherbee, 1441.74 feet; Southerly by land now or

formerly of Raffi and Swanson, Inc., 149.57 feet; Southwesterly by land

now or formerly of the Boston and Maine Railroad, 1268.69 feet.

Parcel two - Easterly by Main

Street, 1504.15 feet; southerly by land now or formerly of Robert

Landry, Edmond Peters et al and Joseph H. App et al, 1175.11 feet;

Westerly by Cold Spring Brook; Northwesterly by Maple Meadow

Brook; Northeasterly by land now or formerly of the Boston and

Maine Railroad, 733.89 feet.

Parcel three - Easterly by Main

Street, 1092.90 feet; Southwesterly by land now or formerly of the

Boston and Maine Railroad, 639.45 feet; Northwesterly by Maple

Meadow Brook.

The petitioner denies the existence of any rights of way in any

person whomsoever in or over the land described and asks to have the

land registered free and clear of any ways.

The above described land is shown on two plans filed with said

petition and all boundary lines are claimed to be located on the ground

as shown on said plan.

If you desire to make any objection or defense to said petition you

or your attorney must file a written appearance and an answer under

oath, setting forth clearly and specifically your objections or defense

to each part of said petition, in the office of the Recorder of said

Court in Boston (at the Court House), or in the office of the

Assistant Recorder of said Court at the Registry of Deeds at Lowell

in the County of Middlesex where a copy of the plan filed with said

petition is deposited, on or before the sixteenth day of February next.

Unless an appearance is so filed by or for you, your default will be

recorded, the said petition will be taken as confessed and you will be

forever barred from contesting said petition or any decree entered thereon.

Witness, John E. Fenton, Esquire, Judge of said Court, this fourteenth

day of January in the year nineteen hundred and fifty-three.

Attest with Seal of said Court.

RAINBOW ORDER FOR
GIRLS 10th ANNIVERSARY

The Order of the Rainbow
for Girls is observing its 10th
Anniversary, January 23rd, at
Masonic Hall. This is a double
event, as it is also the Install-
ation of Officers for 1953.

Invitations have been sent
to past officers and friends.
It is hoped many will be able
to attend.

The program will begin with
dinner at 6:30 in the lower hall.
At 8:00, the officers for 1953
will be installed. During the
evening "toasts" will be given
to various past and present
members and friends. The history
of Wilmington Assembly is being
prepared, and will be read at
the close of the installation.

The 10th Anniversary Birth-
day cake will be cut by a past,
and the present, Worthy Ad-
visor.

MRS. ISABELLE BOTOS
APPOINTED TO LIBRARY
BOARD

Mrs. Isabelle Botos has ac-
cepted an appointment from
TM Cushing, to the Wilming-
ton Library Committee.

The daughter of Charles Ca-
vannah, Mrs. Botos lived on
School Street, some years ago,
and has recently returned to
town. She is building a home
on Power House Circle, where
she intends to live.

Mrs. Botos was formerly a
Dancing Instructor, at the Ar-
thur Murray studios, both in
California, and in Miami Flor-
ida.

Her husband is in the United
States Navy, and the couple
have one child, Charles, aged
5.

WAVIE DREW TO RUN
FOR SELECTMAN

Mrs. Wavie Drew, of 224
West Street has announced
that she will be a candidate in
the March Election, for the
Board of Selectmen.

Mrs. Drew, a Selectman
from 1946 to 1949, is Chair-
man of the Water Extension
Advisory Committee, and of the
Wilmington-Town Republican
Committee, as well as Presi-
dent of the East Wilmington
Betterment Assn. She has been
a resident of Wilmington for
27 years, and during the war
was head of the Wilmington
Women's Civilian Defense. A
Gold Star Mother, she is a
member of the auxiliaries of
the American Legion, and of
the Veteran's of Foreign Wars.

TM DISCUSSES WATER
EXTENSIONS BRIEFLY

Monday night's meeting, of
the Board of Selectmen, saw
a brief discussion by the Town
Manager, of the problem of
Water Extensions.

The Town Manager said that
he opposed further extensions
until the town is sure of its
water supply.

He discussed briefly the pos-
sibilities of Chapter 80, and
Chapter 80A, of the General
Laws. He has had, he said,
two informal opinions that
were favorable toward the
town adopting either of these
acts, which are the nature of
a betterment Act.

If this were not the answer,
he felt that it might possibly
be found in a Law, in which
50% of the cost of Water Ex-
tensions would be borne by
the abutting land owners.
Such a program might be
worked out so that the cost
could be borne in ten annual
payments, he stated, but he
confessed that he did not
know, at the time, if such a
program would be legal, and
just how to make the collec-
tions if it were legal.

Another method by which
the problem might be solved,
said Cushing, could be by a
Bond Issue, for the comple-
tion of the water supply, and
of mains on all the accepted
streets in town.

To File Application for
\$500,000 Grant Thursday

The Town Manager finish-
ed the discussion by telling the
Selectmen that he intended to
file an application with the
Federal Government, on Thurs-
day, through the office of
Housing and Home Finance,
for a grant of \$500,000 to the
Town of Wilmington, for its
water supply.

Cushing was unable to es-
timate any result of such ap-
plication.

NEW CITIZEN

Mr. and Mrs. Fred Kleymen
of Harris Street, North Wil-
mington announce the birth
of a son, Paul Francis, on Dec-
ember 30th, at the St. John's
Hospital, in Lowell.

CPL WILLIAM RICH WOUNDED IN KOREA

Cpl William E. Rich, USMC, of 665 Main Street was wounded, in battle, in Korea, on November 8th. Cpl Rich, who was in F Company 2nd Battalion of the 1st Marine Division was sent to the Naval Hospital at Yokosuka, Japan, where he is recovering satisfactorily. He is to be returned to the United States, about the 15th of January.

Corporal Rich is the son of William Rich, local business man engaged in trucking, and sale of sand and gravel.

TM PROPOSES TO MAKE HIGHWAY OF SALEM & LOWELL RR

The Town Manager, Monday night, renewed the old proposal of making the old roadbed, long since abandoned, of the Salem and Lowell Railroad into a highway.

Cushing told the Selectmen that several tracts of land, suitable for industrial purposes were directly on this old railroad right of way, and that both the Towns of North Reading and Tewksbury were interested.

The proposal is that a highway be made from where the Railroad crossed the present Route 28, in North Reading, to where it crosses East Street in Tewksbury.

Tewksbury, too, has received proposals of a similar nature,

the TM told the Selectmen, and were holding a meeting that same evening, to consider the proposals.

Originally laid in the middle of the nineteenth century, in the days when Salem still had hopes of rivaling Boston as a seaport, the road was abandoned in 1921. The section that the Town Manager proposes to make into a highway is about 31,200 feet long, just short of six miles.

McKELVEY WITHDRAWS FROM MODERATOR RACE

Harold W. McKelvey, of 11 Border Avenue has withdrawn his name as a candidate for the post of Moderator, in the March election.

Mr. McKelvey, in a statement to the press, emphasized that he believed Ralph Currier to be the logical candidate, and that he, McKelvey intended to vote for Currier in the March election.

HEALTH FOR ALL Pneumonia

A severe cold with a fever is always dangerous. If it is accompanied by shaking chills, pain in the chest or side, difficulty in breathing, or blood-tinged sputum, it is probably pneumonia. Call the doctor at once.

Any delay in calling the doctor is an unnecessary risk. It delays his diagnosis, postpones treatment, may even cost the patient his life. In this day of effective serums and drugs, most of those who die of pneumonia are people who neglected a heavy cold that hung on.

Pneumonia is an acute inflammation of the lungs, which interferes with the lung's normal function of supplying oxygen to the blood

stream. There are various types of pneumonia, caused by different pneumonia germs, the most common of which are the pneumococci. It is spread from person to person, by those with the disease or by apparently healthy persons carrying the germs in mouth or throat.

Because pneumonia is communicable, the first step, after calling the doctor, is to get the patient into bed in a room by himself. Next, while waiting for the doctor, get, in a clean bottle or jar, a specimen of sputum coughed up from the chest. The doctor may want this specimen for examination immediately. If hospitalization is not required, ask the doctor to help you get the best nursing service available. Guard a-

gainst the spread of the germs by taking all possible sanitary precautions.

Antipneumococcus serums and drugs like penicillin, aureomycin, and the "sulfa drugs" are effectively used in treating pneumonia. Used promptly, they have saved many lives. Doctors warn, however, that pneumonia develops rapidly and that these scientific advances can have their maximum effect only when the doctor is given a chance to use them early in the course of the disease.

There is not yet an accepted vaccine for the prevention of pneumonia. The best protection lies in individual good health with its natural resistance to infection.

COBIA

If one wishes to get into a misunderstanding about the common names of a fish it is suggested that the argument start over the Cobia. Here are a few perfectly acceptable names for this marine fish:—Cabio, Sergeantfish, Black Salmon, Lemonfish, Coalfish, Crabfish, Crabbeater and Black Bonito. While the fish was listed as Cobia in the 1952 set of wildlife stamps published by the National Wildlife Federation, in the 1949 series it was figured and labeled the Sergeantfish. The scientific name *Rachycentron canadum* was the same in both cases. It was described in considerable

detail in the Federation's Official Calendar for 1953.

Possibly one reason for this confusion centers around the great variation to be found in color and to some extent the variation in form in fishes of different age. The record fish taken with a line weighed 113 pounds and measured 5 feet 9 inches. An average sized Chesapeake Bay fish is around 15 pounds but many are taken weighing twice as much. The outline of the tail in young 4-inch animals is convex to the rear while in adult fishes it is concave. Cobias are usually dark to light buff or brown and show a dark stripe running from the snout to the tail base on either side. In young fish this stripe is conspicuously bordered with white. The young fish swim chiefly thru the use of the large paired forward fins but this behavior changes as the fish grow older. The young have some resemblance to the remoras or shark suckers.

Cobias are taken on hook and lines using crabs and similar animals for bait. Once hooked, a Cobia puts up a gallant and vigorous battle for its freedom. Fishing is most commonly done about buoys, wrecks, reefs and similar areas most commonly in bays and harbors. They are not sufficiently abundant to be considered as commercial fish but do rank high with some as game fish. Comparatively little seems to be known about the breeding habits of the Cobia and since young fish have been taken at considerable distances from the known breeding grounds, it is plain that there are as yet unrecognized breeding grounds.

Cobias range from Cape Cod to Brazil on the Atlantic Coast of the Americas. They are also found off the coasts of South Africa, Cape Verde, Guinea, Mexico, the West Indies, Australia and Japan. Strangely enough in a fish of such a cosmopolitan nature it has been found on the Pacific Coast of the United States. Its abundance is irregular. Sometimes it is most common in the Chesapeake Bay area where it is supposed to breed during the summer months. At other times it may appear in abundance off Mississippi on our Gulf Coast.

The flesh of cobias is white and excellent as food and the food of cobias may include such bottom feeders as floun-

ders or the more open-water species such as weakfish. They are vigorous as fighters and as feeders and may shift their diet from the larger fish to crabs, shrimps and similar small animals.

URGENT APPEAL FOR BLOOD DONORS

An urgent appeal for blood donors comes from the Lowell Red Cross of which Billerica now is a division of that chapter. Mrs. Floyd Beharrell, Chapter director states that blood reserves are dangerously low and so depleted that during the New Year's week-end the Red Cross Blood Center unable to supply local hospitals with even the bare requirements, resulting in the need to draw upon its rolls of walking donors.

The shipment of blood to the fighting men in Korea must continue in order to save the lives of the wounded there. In addition to this tremendous responsibility home needs also must be met. A plasma stockpile also is a new task in conjunction with the processing tino gamma globulin, a serum which when administered to children exposed to infantile paralysis is highly effective in preventing the paralysis which usually accompanies this disease.

Never was the need so urgent if all these blood needs are to be met.

ACACIA CHAPTER THANKS TOWN FOR SNOWPLOWING

The Town of Wilmington, through the Town Manager, has received a letter from the secretary of Acacia Chapter No. 50, O.E.S. thanking the town for plowing out the yard of the Congregational Church, in time for the 50th anniversary celebration of the Chapter.

The Town was told that this prevented having to have the cars of the guests parked along the street, with the hazard of parking on the highway.

REQUISITION FORM OF PURCHASE IN WORKING, TM TELLS SELECTMEN

Dean Cushing, Town Manager, told the Board of Select-

men, during the Monday night meeting that the 1953 operations of the Requisition Form, and Purchase Order, as previously outlined to the Selectmen, is working with complete efficiency. In some departments, the TM stated, there had been a feeling that the additional work would be prohibitive and expensive, but the experience shows that the small amount of extra work in this internal checking regularly more than pays for itself.

Dream Girl

Four-year-old Ann Louise Annis, of Sarasota, Fla., is all set for dream-land wearing her "Milwaukee Brace" over her sleeper. Ann came down with polio in November, 1950, and has made two trips to Georgia Warm Springs for treatment aided by the Sarasota March of Dimes Chapter.

MRS. RUTH KITCHENER LEADS SALVATION ARMY DRIVE

With a volunteer organization and sponsoring committee of prominent citizens known to every resident, The Salvation Army is getting ready to launch its Friendly Annual Appeal in Wilmington with Mrs. Albert E. (Ruth M.) Kitchen-

chairman.

Joseph B. McMahon, Manager of the Mechanic Savings Bank, will be campaign treasurer for the tenth year in succession—one of the longest terms of consecutive service to the needy, through The Salvation Army, in the long annals of the organization in New England.

The all-important task of organizing the corps of volunteer workers who will conduct the friendly "good neighbor" canvass of every home beginning February 1 is being carried out by Mrs. Francis E. (Bertha M) Merrill, 364 Chestnut st., the residential chairman. Mrs. Merrill is master of the Wilmington Grange and Vice Grand of Rebekah Lodge—and is noted for her many civic

activities.

The campaign slogan, according to Mrs. Albert E. Kitchen-ener, the general chairman, who served as residential chairman during the last year's appeal which broke all previous records, will be "the more you give the more Wilmington benefits."

"This is absolutely true," Mrs. Kitchenener states, "because one dollar of every five contributed here will remain in the Wilmington Service Fund exclusively for local needs."

The "Wilmington Service Fund is administered entirely by a local committee whose members know local conditions and needs best of all. The biggest advance to this system is that help can be given on-the-spot without red tape or delay. The Salvation Army, through the quick action of Service Fund committee members is thus truly "your good neighbor in action."

Mrs. Albert E. Kitchenener is chairman and Joseph B. McMahon treasurer of the Wilmington Service Fund committee while the third member is Mrs. Guy E. Nichols, 187 Middlesex Ave., the school nurse. It is always a part of Salvation Army policy to include the school nurse because she is in close daily contact with children who are the biggest beneficiaries of the Service Fund.

"We should also remember that Wilmington residents also benefit from many of the famed regional activities of The Salvation Army such as Booth memorial Hospital and Home, the Red Shield Club for the Armed Forces, Wonderland Fresh Air Camp, the Men's Social Service Center, the League of mercy and the missing Persons Bureau," Mrs. Kitchenener continued.

"Last year the people of Wilmington cooperated so generously that we established a record which will be difficult to beat, but as word of all our Wilmington Service Fund does not only for children but for those in need of every age, and race and creed and color becomes better known, I feel sure that residents of this town will give from their hearts because they realize that this appeal "for human needs" is really 'of Wilmington and for Wilmington', Mrs. Kitchenener concluded.

The sponsoring committee of citizens known for their many civic, business, religious, fraternal, and social activities includes: Rev. Stanley Cummings, 191 Middlesex ave; Adrian A. Durkee, 35 Clark st., president of Rotary; Town Moderator David I. Elfman, 63 Middlesex ave; Town Clerk Mrs. Mary E. Gilligan, 83 Burnap st; Frank J. Griffin, 1 Church st; Chief of Police Paul J. Lynch, 4 Faulkner ave; Bernard P. McMahon, 310 Middlesex ave., principal of the High School; Guy E. Nichols, 187 Middlesex ave; Postmaster Henry J. Potter, 12 Columbia St., and Mrs. Marion J. Woller, 31 Main st, correspondent for the Lowell Sun.

Campaign leaders are stressing the fact that the Friendly Appeal will be conducted en-

tirely by Local Volunteer Workers—your friends, neighbors and fellow workers. There will be No Salvation Army Uniformed Solicitors At Any Time During The Campaign and anyone in uniform who calls upon you will definitely Not be a representative of The Salvation Army.

PRISCILLA WARE'S MARRIAGE ANNOUNCED

DRACUT TAKES WILMINGTON 62 TO 45

Dracut High's Basketball Team, now among the leaders in the Lowell Suburban League, overpowered Wilmington's Quints, to win, 62 to 45, in Wilmington's second league game of the season, on January 13th.

The game, played in Dracut, saw a taller team taking advantage of their height, but also showed the Wilmington boys playing a good game, with a fine promise of improvement in coming games.

TOWN NOTES**WEATHER**

Just like spring. After the tremendous snowfall of last week we have been enjoying very benign weather, with a few exceptions, in tradition with the old New England Heritage. We had some cold days and some very warm days, with the temperature hovering around 50.

There was half an inch of snow on the 13th, amounting to .04 inches of rain, and on the 14th there was again a half inch, this time being measured as .05 inches of rain. The 17th had .25 inches, of mixed rain and snow.

BLACK'S LUNCH

Black's Lunch, across from the Methodist Parsonage, is again in operation, with the coming of the snow. So far the patrons have consisted of Pheasants, Grosbeaks and a few saucy squirrels.

THE OLDEST LADY IN TOWN
For a long time we thought that Aunt Susie Hale, of Aldrich Road was the oldest lady in Wilmington. We have just learned differently.

The oldest lady in Wilmington is Mrs. Judith Durkee of Salem Street, who is 2 months older than Aunt Susie.

Mrs. Durkee was born in Nova Scotia over 92 years ago, and moved to Wilmington in 1872. She went to the North School as a girl, and later married Amos Durkee, 72 years ago.

Mr. Durkee worked in the tan-

TOWN OF WILMINGTON**BOARD OF APPEAL****PUBLIC HEARING**

There will be a Public Hearing at the Town Hall, on Monday, January 26, 1953, at 8 p.m. on the petition of Walter L. Sturtevant of 9 Grove Avenue to convert his single family dwelling to a two family dwelling.

(s) Winston S. Chamberlain, Secy Board of Appeal.

nery for Billy Gowing, for Judge Emmons and in other ways, and was a well known citizen of North Wilmington. He died about 3 years ago, just a couple of months before the couples 70th anniversary.

Mrs. Durkee is in good health, and is up and around daily at her home.

THE POLITICAL RACE

With the entry of Mrs. Drew into the lists, Wilmington is now getting at least one political contest this spring. For Selectman the people now have the choice of three contestants, Mrs. Drew, Pat Ring and Joe Woods.

We have had various persons whisper into our ear that this person, and that person was going to run for School Committee, but so far the two present incumbents, Eleanor Grimes and Arthur Lynch are the only announced candidates.

There is quite a bit of smoke around the Moderator situation, in spite of the fact that at this writing there is only one announced candidate. We would not be surprised to see a couple of more candidates in the field before the end of the month.

JANUARY 31st IS A SATURDAY
We confess that it is confusing to ourselves, so we often wonder how some of our fellow townspeople feel, about the times that the Town Hall is open. It is now open every night, with next Monday being the night to be open, and it is closed on Saturdays.

This really should be remarked upon because the last day that an article can be filed is January 31st, which falls on a Saturday.

BUS SERVICE

We have been told that the Eastern Mass. Bus, which parks at the North Woburn line, between runs, is now sometimes coming up to the corner of Eames and Main Street, for the convenience of the people working at Greers.

There has been no official announcement.

EVEN THE POLICE RADIO WAS QUIET

We stopped into the Wilmington Fire Station, and took our chances with the rest of the boys, to watch the inauguration of President Eisenhower on the TV.

Everything was absolutely quiet, for perhaps half an hour, during the ceremony. There was not even one squawk out of the Police Radio, which is tuned in on a wavelength that covers several cities.

LOST YOUR GLASSES?

Mrs. Esther Nichols has a pair of tortoise shell heavy lens glasses, which she found recently.

ST. THOMAS NEWS**MASSES:**

Sundays: At St. Thomas Church 7:00; 10:30; 11:30.

At Villanova Hall 8:30.

At Silver Lake Chapel 8:45;

10:45.

BAPTISMS:

Sundays at 2:00 p.m. in the Rectory.

MARRIAGES:

Should be arranged at least five weeks in advance.

SUNDAY SCHOOL:

After the 8:30 Mass; after 8:45 Mass at Silver Lake.

Released Time Classes in Religion are held on Mondays and Tuesdays at the close of the school day.

To our Town Officials and to the members of the Highway Department we extend our thanks for the snow removal which enabled Wilmington to go to Church.

The Church Unity Octave takes place from January 18 to January 25, when we are asked to pray "That All May Be One."

The generous wish of the Parishioners has been approved:—The new Wurlitzer Organ which (thanks

to the Chickering Company) paid us a visit for Christmas will remain with us. Your pledges have made it possible. The new organ with our excellent choirs will help to "Lift up our hearts and voices in praise of Almighty God."

The growth of Wilmington has naturally caused the growth of our parish. Each year adds to the problems in our devotional Church. To accommodate the increasing number of parishioners it becomes necessary to plan a change. Villanova Hall will temporarily become St. Thomas of Villanova Church.

We will tell you the plans at Mass, and ask God's Blessing and your continued cooperation and encouragement. The usual Masses will be held in the church until further notice.

Remember in your prayers those of our Parish who are ill.

Your prayers are requested for the repose of the souls of James McKenna and William Colford.

Mary Fitzgerald for whom the Second Anniversary Requiem Mass will be offered on Saturday morning at 8 o'clock.

WILMINGTON METHODIST CHURCH NEWS!

Wednesday, January 21:

Members of the Pilot Group, the new group for young adults in the Methodist Church will meet at the home of Mr. Robert Belbin at 8:00 p.m.

Members of Circle five will meet at 8:00 p.m. at the home of Mrs. Do Razey on Church Street. Thursday, Jan. 22:

Members of Circle 3 will meet at the home of Mrs. E. C. MacDougall at 1:30 p.m. for a desert luncheon. Members of Circle 2 will meet at the home of Mrs. R. Odiorne's for a silver tea at 1:30 p.m. Senior Choir rehearsal will be held at the church at 8:00 p.m.

Sunday, Jan. 25: Church school classes will be held for all ages beginning at 9:15 a.m. Morning worship in the sanctuary will be held at both 9:15 a.m. and 11:00 a.m. The pastor will preach at both services on the topic: "What Christian's Believe About the Kingdom of God." This will be the third in a series of sermons dealing with great doctrines of the church. At 5:00 p.m. the Jr. Youth Fellowship will meet at the church. The Methodist Youth Fellowship will meet at 7:00 p.m. at the church. Sunday evening Mr. Maxfield will be the guest preacher at Wesley Methodist Church in Worcester where a conference of interdenominational youth will be held.

Thursday, Feb. 5: On Thursday, February 5, 1953 the annual meeting and fourth quarterly conference of the Methodist Church will be held beginning with a supper at 6:30 p.m. Tickets for the supper are 75c for adults and 40c for children under twelve. Tickets may be secured from Mrs. Bernard Bacon at 3064 or Mrs. Ariel Wood at 625.

During the business meeting which will follow the supper a program of movies will be presented in another part of the church for the children. All members and friends of the church are invited to attend this meeting with their families. The meeting will be presided over by Dr. Archiver Strait, superintendent of the Lynn District of the Methodist Church. Along with annual reports of the various committees and organizations a report of the building committee will be presented.

ROOM 301
Dianne Bailey, Claire Graham, Gail Hasselbar, Karen Scott, Diane White, Paul Keirstead, William Melvin, Philip Sweet, David Townley Allan Renaud.

STEERING EFFORT REDUCED

The overall steering ratio of the 1953 Pontiac has been increased from 22 to 1 in 1952 up to 25 to 1. This, with other suspension changes, reduces the steering effort by as much as 20 percent, thus noticeably contributing to easier driving and parking. To accomplish this change, a modification was made within the steering gear to permit greater roller travel, and the steering gear housing was lowered slightly, while the Pittman arm shaft has been shortened.

For a novel gift for the bride-to-be, fill a galvanized steel pail with several small household cleaning aids. Wrap with crepe paper and bright ribbons.

LETTER TO EDITOR

The Wilmington Crusader
Box 506 Wilmington, Mass.

Gentlemen:

As chairman of the Chelmsford Finance Committee, I was interested in your Editorial on Dean C. Cushing and feel you should be complemented on the fine coverage given town affairs by your paper.

Yours very truly,
Warren C. Lahue, Pres.

Dear Sir:

I want to take this time to express my gratitude to you and those who made it possible for myself and the rest of the boys from Wilmington that are in the service to receive the Crusader.

It sure is great to receive the crusader and find out what is happening around town and how the rest of the fellows are making out and where they are stationed.

So thanks again and keep up the good work.

Sincerely yours,
Robert Goss

TELEVISION NEWS

BY JACK MOORE

Jack Moore
MacLellan's Appliance Center
Tewksbury, Mass.

Dear Jack:

What possible harm can come to my Philco television set if I operate it here in Billerica on an indoor antenna ("Rabbit Ears").

I know there will be snow in the picture, but will it do my set any harm?

Sincerely
A.M.G.

Dear A.M.G.

No harm will befall your TV set, however the first tube in your set

from where the signal is fed in from the antenna will run harder than it normally would with an outside antenna. Incidentally, so called "Snow" on your screen is caused by this tube and its associated parts operating at a higher level than it should. This may shorten the life of this tube but to a negligible degree.

Allow us to repeat that no antenna is equivalent to an outside antenna. The picture and sound will be clearer, steadier and least susceptible to local interference such as autos, motors, airplanes and household appliances.

Jack Moore

SPECIAL BUS TRANSPORTATION SUNDAY TO SILVER SKATES DERBY

(Continued from Page 1)

Heading the list is the famous Flying Backmans, Carl and blonde Jean Ashworth, holder of three National titles, in speed skating.

Approximately 1 out of every 20 fans, in the Boston Garden, at 1 p.m. Sunday will be from Wilmington. About 14,000 fans are expected and about 700 of these will be from this town.

At the present writing, the town will be without a Selectman, or Town Manager, on Sunday afternoon, as everybody takes off for the Garden. The Mayor of Wilmington and the Editor of the Crusader will be there too, right down in front.

George is getting another 150 tickets today.

RACCOON PATROL

The meeting of the Raccoon Patrol was held on Wednesday, January 14th at the regular meeting place. The following boys were present: James Coombs, William Finney, Caton Monteiro and Jerry Pupa.

The meeting was in charge of Assistant Patrol Leader, James Coombs. The boys were given new jobs as follows:

Anthony Pupa: Patrol Leader and cook.

Jerry Pupa: Assistant Scribe.

James Coombs: Assistant Patrol Leader, Librarian and Assistant cook.

Caton Monteiro: Cheermaster, Firemaster, Scribe.

William Finney: Reporter, Quartermaster and Assistant Firemaster.

—William Finney, Reporter

CANDIDATES MUST FILE BY JANUARY 26th
Candidates for the March elections must file their nomination papers with the Board of Registrars by 5 p.m. January 26th, and with the Town Clerk by February 2nd.

STUDENTS WATCH INAUGURATION ON TELEVISION

Pupils of Wilmington High School, the Junior High School and the Buzzell School watched the ceremonies of the Inauguration of President Eisenhower, from the school yesterday.

Benny Harrison loaned two television sets to the Wilmington schools for the occasion, and the Woburn Chamber of Commerce sent a third set on ten minutes notice, in order that all children could see the event.

ARMED FORCES DAY IN HIGH SCHOOL NEXT WEDNESDAY

Next Wednesday, in the Wilmington High School is to be Armed Forces Day. Representatives from all branches of the Armed Services will be present in the school, to explain their role, to the students.

PROMOTION FOR RED EATON

Maynard (Red) Eaton of Ballardvale St. has been promoted to Cpl. Serving in Korea for about a year, Red is about due to be rotated home. His address is Corporal Maynard Eaton, US 51098608, 265 QM Pet. Sup. Co., 301, San Francisco.

OWL PATROL AWARDED SIGNAL LIGHT

The Owl Patrol, of the Wilmington Boy Scouts, was awarded a signal light, by Scoutmaster Dudley Buck, last Sunday, at their regular meeting. The award was because of the splendid work done by the boys of the patrol, in the card and wreath sale, in which the patrol received over 1000 points.

Arrangements were made for the patrol to visit Tabbutt Dairy Farm next Saturday, at 10:30 a.m. and plans were made for a patrol hike to Greenleaf Pond, New Hampshire, on June 6, 1953.

4-H CLUB OF NORTH WILMINGTON TO VISIT POULTRY SHOW

At the 2nd meeting of the year, of the 4-H Agricultural Club of North Wilmington, at the home of Mr. and Mrs. Homer Richards, of Middlesex Avenue, plans were made for all members to go to the Poultry Show, in Boston, Friday evening.

The next meeting of the club will be at the home of Mr. and Mrs. Baldwin of Andover Road, on February 2nd.

DR. TWINAN SPEAKS AT PTA

Dr. Claire Twinan, Supt. of the North Reading State Sanatorium spoke entertainingly, at the Parent Teachers Association meeting, in the High School cafeteria last night.

Dr. Twinan's subject was "Home from Japan and Korea," in which he discussed the two countries, and further spoke about Tuberculosis, as he has experienced it in his practice.

Dr. Twinan will deliver the same talk, this afternoon, to the Wilmington Rotary Club.

CONGREGATIONAL

The annual meeting of the church will be held on Thursday evening at 7:30 following a supper which will be served by the East Branch at 6:30.

The Fireside Fellowship will hold its annual dance in the vestry on Saturday at 8 p.m., and it will be called "The Snow-Ball."

The hour of the Fireside Fellowship meeting next Sunday evening has been changed from 7:00 to 7:30.

"FIRE MARSHALL PLAN" BEING DISCUSSED FOR WILMINGTON

The Boston Board of Fire Underwriters, Inc., of 89 Broad Street, are making plans to extend the "Fire Marshall Plan" to the schools of Wilmington.

This is the year round fire prevention program that has been conducted in Boston schools for the past five years, and which has aroused National interest. At the recent convention of the International Fire Chief's Association in Boston, this program was featured as being one of the finest methods known of saving lives and property.

Larry Cushing, Physical Director of the Wilmington Schools has been observing the program in operation in Boston. As a result he has asked permission of Fire Commissioner Michael T. Kelleher to allow Fire Instructor Lieuts. John Prongillo

REWARD

Five Dollars will be paid to the person returning my wallet, which was lost last Saturday, probably near Silver Lake. Records in wallet are valuable to me.
DAVID MANSON - WIL. 2424

and Walter T. Kelley to visit Wilmington and stage a pre-view of the program. It is expected that fire and school officials of surrounding communities will be invited.

The Boston record, in recent years in keeping down loss of life and property due to fire has been remarkable. Chief credit has been given to this program because of the ability of the public to gain the attention and cooperation of the parents and adults in eliminating the basic cause of most fires, particularly in the homes.

Boston reported a large drop in dwelling fires while the national average went up 8.4 percent, according to National Fire Protection Association reports.

The program has been adopted in a number of cities, including Louisville, Minneapolis, Dayton, Council Bluffs, Iowa, Johnston, Pa., Waltham, Weymouth, Chelsea, Holbrook and Athol. Herbert L. McNary, Executive Manager of the Boston Board of Fire Underwriters, sponsors of the program for Boston, states that a large number of communities are laying plans to adopt this year round program.
